**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

PLEASE keep online access competitive.

I am a consumer who supports competition. The company I work for also uses a smaller company to supply our internet services.

Why do large corporations get to buy what they want at the expense of citizens? I believe it is our right as consumers to choose the product that best fits our needs and not have it dictated to us by non-competitive corporations.

Thank you.
